

Winter 2010

PARTNER SPOTLIGHT

Every year, ABBYY chooses its top partners based on their level of commitment to ABBYY, degree of technical self-sufficiency and ability to grow the ABBYY business. This year, BizTech Solutions was one of the honorees.

“We feel ABBYY is an innovative, technology savvy corporation who provides one of the most cost-effective solutions in the document imaging industry. We feel the ABBYY products are enterprise class and feature rich tools that can be used across divisions within the same organization. This allows my team to expand the solutions company-wide and grow the sale opportunities within each client. We are committed to driving ABBYY software sales and believe 2010 was just the beginning.”

—Doane Hadley, *President, BizTech Solutions, Inc.*

Congratulations to BizTech for being an outstanding ABBYY partner!
