BIZTECH HEALTHCARE SOLUTIONS, INC. JOINS MUSE ADVISORY COUNCIL

Piscataway, NJ, January 19, 2011: BizTech Healthcare Solutions, Inc. (www.forbiztechhealth.com), an award-winning provider of innovative business process solutions for healthcare and a Microsoft Gold Certified ISV Managed Partner, is pleased to announce that Hal Petschke, Vice President of Business Development at BizTech, has been selected by the MUSE Advisory Committee to join its “Commercial Member Advisory Committee”.

The Medical Users Software Exchange (MUSE) has been in existence since 1983, and its mission is to support healthcare organizations using MEDITECH developed software and technologies, by providing a user-driven networking environment conducive to learning—where ideas are exchanged and information is shared so that MUSE members can continually improve organizational performance. The Commercial Member Advisory Committee (CMAC) was subsequently created by MUSE to better understand and meet the needs of the Commercial Member community.

“I am pleased and honored to be selected as a two-year member of the CMAC,” says Hal Petschke of BizTech Healthcare Solutions, Inc. “BizTech is a long-standing active member of MUSE and we believe in its mission. Our goal on the CMAC is to expand awareness of the benefits of MUSE participation both to healthcare facilities and commercial organizations.”

BizTech Healthcare Solutions, Inc. offers its ProMed Series of Revenue Cycle Management Solutions throughout the U.S. and the Caribbean. This award-winning application suite reduces operating costs and increases cash flow and compliance. Solutions include: Patient Chart Scanning, Automated HIM Charge Entry & Coding, Chart Management, Verbal Orders, Release of Information, Patient Registration Scanning with Secure ID, EOB Scanning Solutions, AP processing, HR workflow and Enterprise Content Management & Workflow. The Company also provides imaging hardware components and service contracts. Visit www.forbiztechhealth.com
