## **BIZTECH SOLUTIONS, INC. AND MI-CO ANNOUNCE A RESELLER PARTNERSHIP**

Piscataway, New Jersey, Monday, July 30, 2012: BizTech Solutions, Inc. ([www.forbiztech.com](http://www.forbiztech.com)), a GOLD Certified Microsoft Partner and award-winning solutions integrator for Work Process Automation and Web Business Applications, and Mi-Co ([www.Mi-Corporation.com](http://www.Mi-Corporation.com)), the market leader in development and commercialization of mobile forms solutions using Tablets, SmartPhones and more, announce their partnership whereby BizTech Solutions will resell the full line of data collection solutions offered by Mi-Co.

The Mi-Co solutions will be offered in conjunction with BizTech's document management and workflow solutions to be implemented in Federal, State and Local Government, Healthcare, Banks, Manufacturing, Insurance Companies, and Public Utilities markets throughout the country.

"In the past, we have offered solutions for document/information capture, document/content management, and workflow automation to the marketplace. Adding electronic data capture solutions for mobile devices, provides BizTech the ability to offer an expanded solution set," says Hal Petschke, BizTech's Vice President of Business Development.

According to Gautham Pandiyan, Director of Sales & Marketing at Mi-Co, "We are excited about the partnership with BizTech Solutions, and the chance to leverage the expertise BizTech has gained in

~ MORE ~

Healthcare, Government and other vertical markets to implement highly successful Mobile-Forms projects for customers. The best-of-breed Mi-Forms mobile e-forms platform for Tablets and BizTech's significant experience integrating best-of-breed products should be a potent combination for any customer!"

Mi-Co is the market leader in development and commercialization of Mobile-Forms solutions using Tablets like iPads, Android Slates & Tablet PCs, SmartPhones Digital Pens, the Ricoh eQuill and more. The Mi-Forms solution from Mi-Co provides easy-to-use software that facilitates data capture using devices that run on Windows, iOS and Android platforms. Mi-Forms enables knowledge workers in industries such as Healthcare, Field Service, Construction, Manufacturing, Finance, and Government to capture data electronically and integrate collected data into back end systems. Some of Mi-Co's customers include **Sutter Health**, **AT&T**, the **IRS**, the **United Nations** and the **US Department of Agriculture**. Their platform is the most mature and broadest in capability available in the market. With experience since 1999, Mi-Co is the intelligent choice for mobile data capture expertise and business process optimization.
