

fi-60F

A6 High-Speed Flatbed Scanner

Compact scanner puts speed where you need it.

- True, 600-dpi optical resolution with one-second scanning at 200 dpi
- Coverless scanning with auto-deskew and auto-cropping
- High-speed USB 2.0 connectivity
- Includes TWAIN, ISIS® and ScandAll Pro Lite
- Includes one year Limited Warranty

FUJITSU

fi-60F

A6 High-Speed Flatbed Scanner

The right solution for small-document scanning.

The compact, lightweight fi-60F scanner is ideal for busy office and retail environments. It quickly scans important, small documents, such as insurance cards, identification cards, credit cards, passports, driver's licenses, photographs, and more. High-speed USB 2.0 connectivity combines outstanding performance and easy installation. Included TWAIN and ISIS® drivers and ScandAll 21 software simplify integration and boost productivity right from the start.

No time, no cover, no problem.

The Fujitsu fi-60F increases user productivity with fast, one-second scanning (at 200 dpi) and coverless scanning.

When full detail is needed, the Fujitsu fi-60F scanner delivers clean, crisp scans up to 5.83 in. x 4.13 in. — in color, grayscale, and monochrome — with true, 600 dpi optical resolution.

However, when time is critical, users can scan documents at 200 dpi in monochrome or 8-bit grayscale in just one second. And 24-bit color scans at 200 dpi take just 1.7 seconds.

Coverless scanning eliminates the repetitive task of opening and closing the cover before and after each scan. Simply place documents on the flatbed and scan! Auto-deskew and auto-cropping functions optimize scan size and quality, conserving storage resources and properly orienting scans regardless of how they are placed on the flatbed.

About Fujitsu Computer Products of America, Inc.

Fujitsu Computer Products of America, Inc., a subsidiary of Fujitsu Ltd., is an established leader in the Document Imaging industry, delivering innovative scanning solutions and services that enable our customers to solve critical business productivity issues and streamline operations. We provide cutting-edge document capture and workflow solutions for business and personal environments, backed by a comprehensive portfolio of service and support programs.

| Technical Specifications | |
|-------------------------------------|--|
| Model | fi-60F |
| Technology | Color Contact Image Sensor (CIS) |
| Output Resolution (dpi) | 50-600 dpi (600 optical) ¹ |
| Halftone patterns | Dither and error diffusion |
| Grayscale | 8 bit/pixel (output) |
| Color | 8 bit and 24-bit / pixel (output) |
| Scanning Speeds | |
| Binary (1 bit / pixel) | 1.0 sec (200 dpi) |
| Grayscale (8 bit / pixel) | 1.0 sec (200 dpi) |
| Color (24 bit / pixel) | 1.7 sec (200 dpi) |
| Scanning Mode | Simplex |
| Document feeding mode | Flatbed |
| Document Size | Flatbed maximum 5.83 in. x 4.13 in. |
| Interface | High-speed USB 2.0 |
| Software Driver Support | ISIS® and TWAIN driver included (Win 98 SE/2000/Me/XP) |
| Background | Black |
| Physical Specifications | |
| Power requirements (auto-switching) | 100 – 120 VAC, 50/60 Hz |
| Power consumption | 8W or less |
| Operating Environment | Temperature 42° to 95° F (5° to 35° C) |
| | Relative humidity 20% – 80% (non-condensing) |
| Dimensions (WxDxH) | 1.6 in. x 9.2 in. x 5.7 in. |
| Weight | 2 lbs. |
| Limited Warranty | One year Depot, Limited Warranty. For full details, visit www.ImagingService.com or call (800) 301-9475. |
| Inbox Contents | USB 2.0 cable |
| Bundled Software | TWAIN, ISIS, ScandAll Pro Lite and QuickScan (Trial) |
| Options | QuickScan V 3.0 and Image Processing Software V 2.0 |
| Features | Auto de-skew, auto cropping and removable document cover |
| Part Number | PA03420-B005 |

1. Requires Intel® Pentium® III 933 MHz PC computer with 256 MB memory or above for optimum throughput.
